

REMARKS / ARGUMENTS

This responds to the Non-Final Amendment mailed August 6, 2008.

Specification

The Examiner objected to the abstract under MPEP 608.01(b) as being longer than 150 words. The Applicant respectfully submits that this objection was made in error. The Abstract is only 127 words in length. Accordingly the Applicant respectfully requests that the objection to the Abstract be withdrawn.

Claims

Claims 1, 4-13 and 16-24 are pending after this Amendment.

This Amendment is supported by the application as filed, including the original specification and drawings. No new subject matter has been added by this Amendment.

Each of the independent claims have been amended to distinguish the claimed invention from the prior art of record.

The Applicant submits that this application is now in condition for allowance, which is respectfully requested.

Respectfully submitted,
